

CONTENT CREATION

Impact Suite Power-Up

A learning system without engaging training content is like a theme park without any rides. So, let's get creative! Unleash our **Content Creation** Power-up to get access to our award-winning eLearning production services.

BLANK PAGE

Not sure where to start? Let's work together to outline your needs and craft a masterpiece.

THE BLUEPRINT

Already have a vision for eLearning excellence? Now let us help you bring it to life.

GLOW UP

Have content available in a different format? We'll transform it into eLearning eye candy.

GAME PLAN

We can bring even the boldest vision to life through custom learning games.

We use Growth Engineering Authoring Tool and 20+ years of experience, to craft content your learners will love. By following our tried and tested production process, you'll get plenty of opportunities to review and provide feedback.

PROJECT PLAN

Outlining the key players & milestones.

SPECIFICATION DOCUMENT

Establishing the look and feel of your course.

PROTOTYPE

Explore a demo course and provide feedback.

ALPHA BUILD

Your first glimpse at your training content.

GOLD BUILD

The final version of your content ready for sign-off.

NEEDS ANALYSIS

Seeking to understand your training needs.

CONTENT OUTLINE

Breaking down the learning journey step-by-step.

STORYBOARD

The blueprint for our designers and developers.

BETA BUILD

Your updated content ready for a final review.

All content is customised in line with your brand specifications, mobile ready and available in a variety of compliance standards (including SCORM 1.2, 2004, xAPI and cmi5).

Did You Know: Online learning has been shown to increase retention rates by **60%** (Source: The Research Institute of America).
